## HOW TO USE THE ETSG STORES SYSTEM.

If you are using a mobile device (phone or tablet) you will see the following screens when you log in:

Select "Accept Conditions to continue" and you will see the following screen:

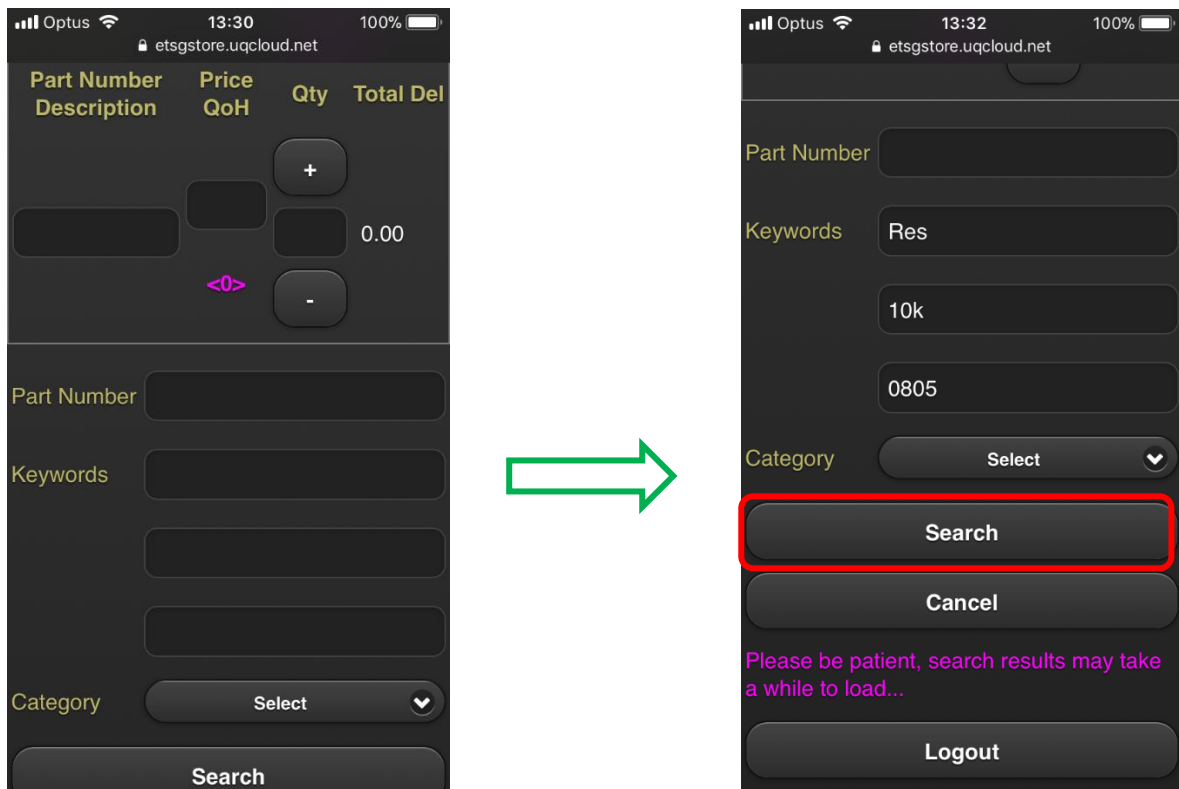

From here you can select the account you want to use, create a new "normal" or "special" order or view all saved orders. Selecting "Normal" opens the part number box – if you don't know the part number and want to search by description select "Add".

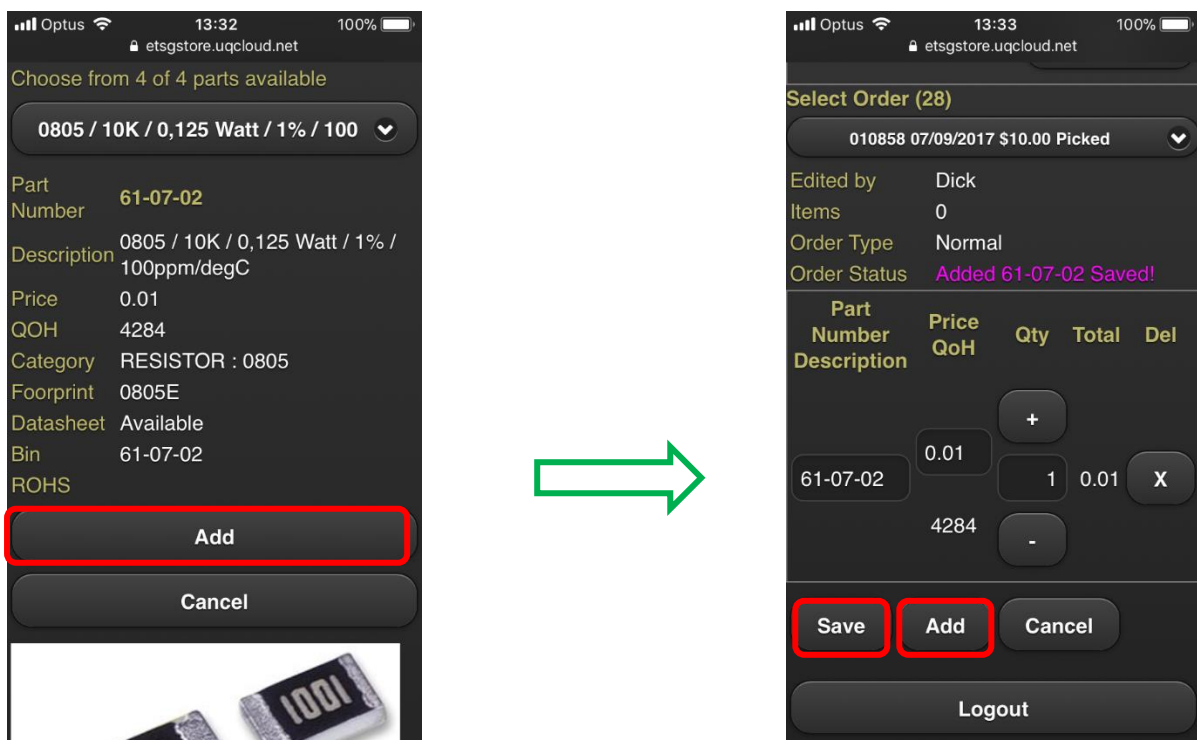

## HOW TO USE THE ETSG STORES SYSTEM.

Selecting “Add” gives you this screen, you can now search by “Part Number”, “Keywords” or “Category”. Once you have put in the Part Number or Keywords select “Search”.

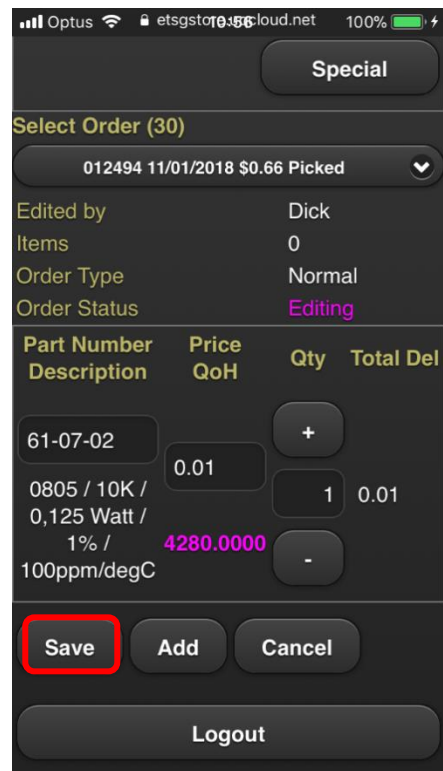

You will now get a return for your search, here it shows 4 possible parts, including pictures – use the drop down list to select the required item and then select “Add”. This now displays the selected item, you can now select how many you want, and then either “Save”, if this is all you want, or “Add” if you want another item.

## HOW TO USE THE ETSG STORES SYSTEM.

Once the order has been saved you can “Edit” it, “Delete” it or “Pick” it. If you select “Edit” you will get this screen, from here you can increase the Qty you want or add another part to the order and then select “Save”

If you select “Pick” you get this screen; if you want to increase or decrease the Qty you require you can do it here. When you are ready to proceed select “Pick Finalise” and you will get this screen.

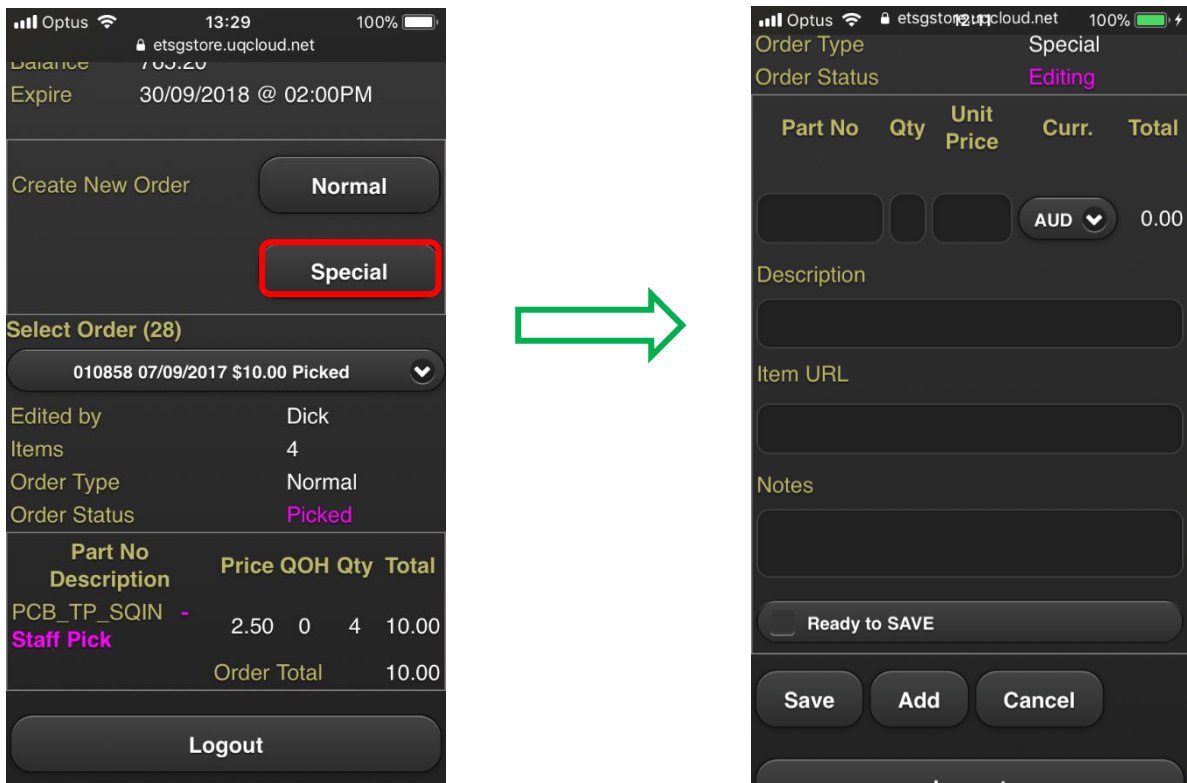

Once you have confirmed the pick you will get this screen; you can now “logout” or raise another order 😊.

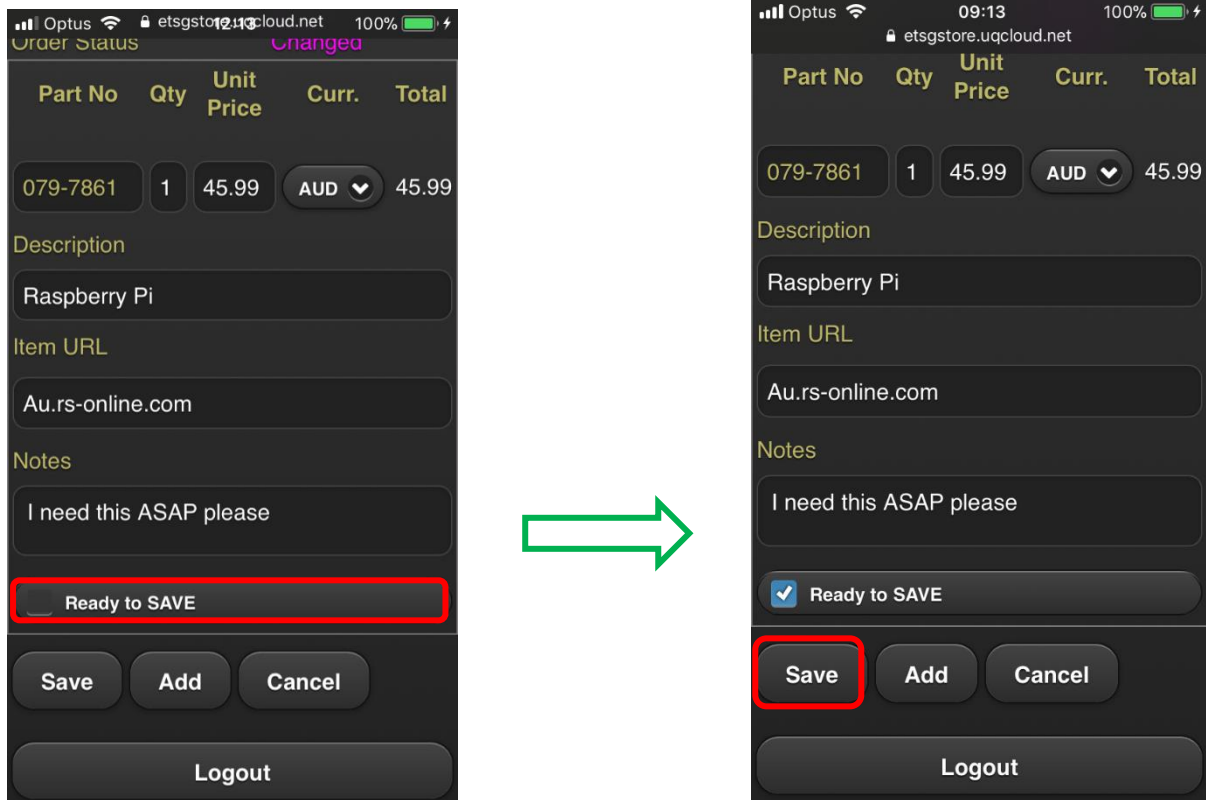

## HOW TO USE THE ETSG STORES SYSTEM.

How to raise a special order. Login as before and select “Special” and you will get this screen.

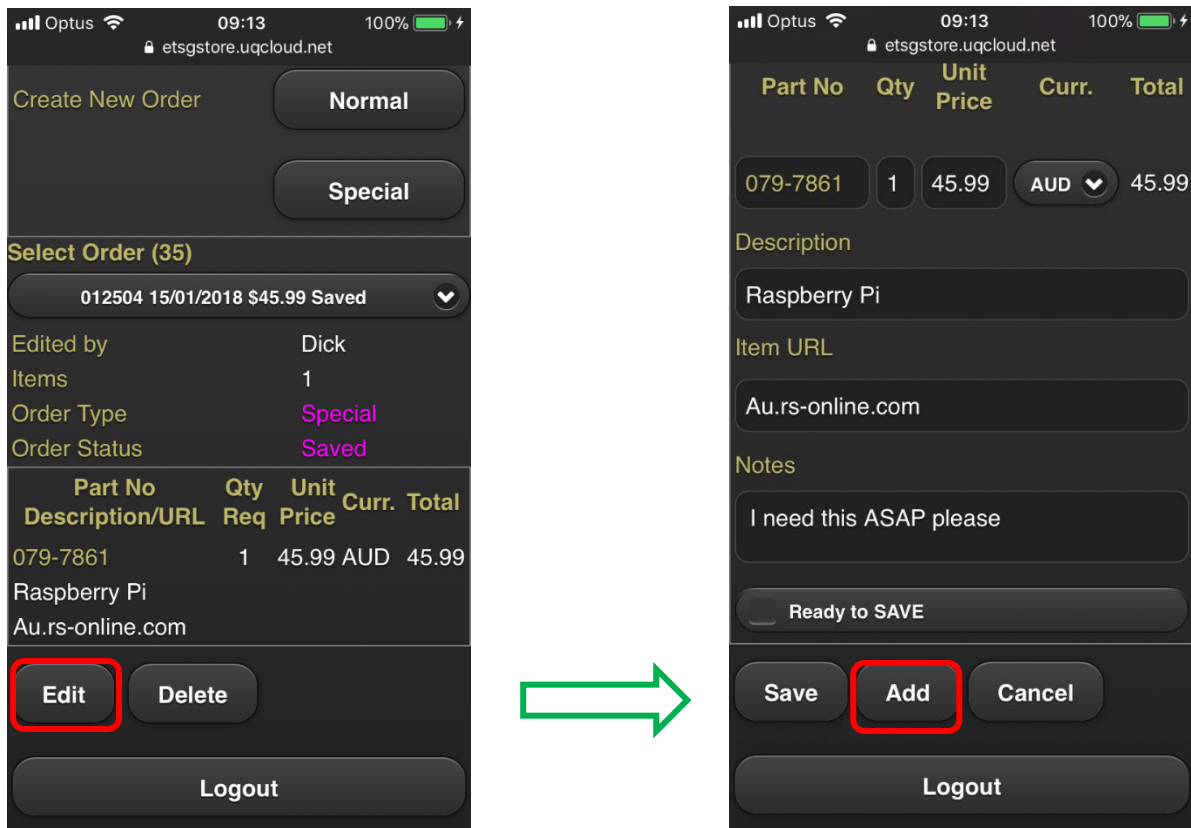

Fill out the information of the part you want to order; including the suppliers part number, Qty, price, description and URL from the website you found it on and any notes you want. If you want to add another part to this order select “Add” and fill out the details as before. Select “Ready to save” and finally “Save” if this order is complete.

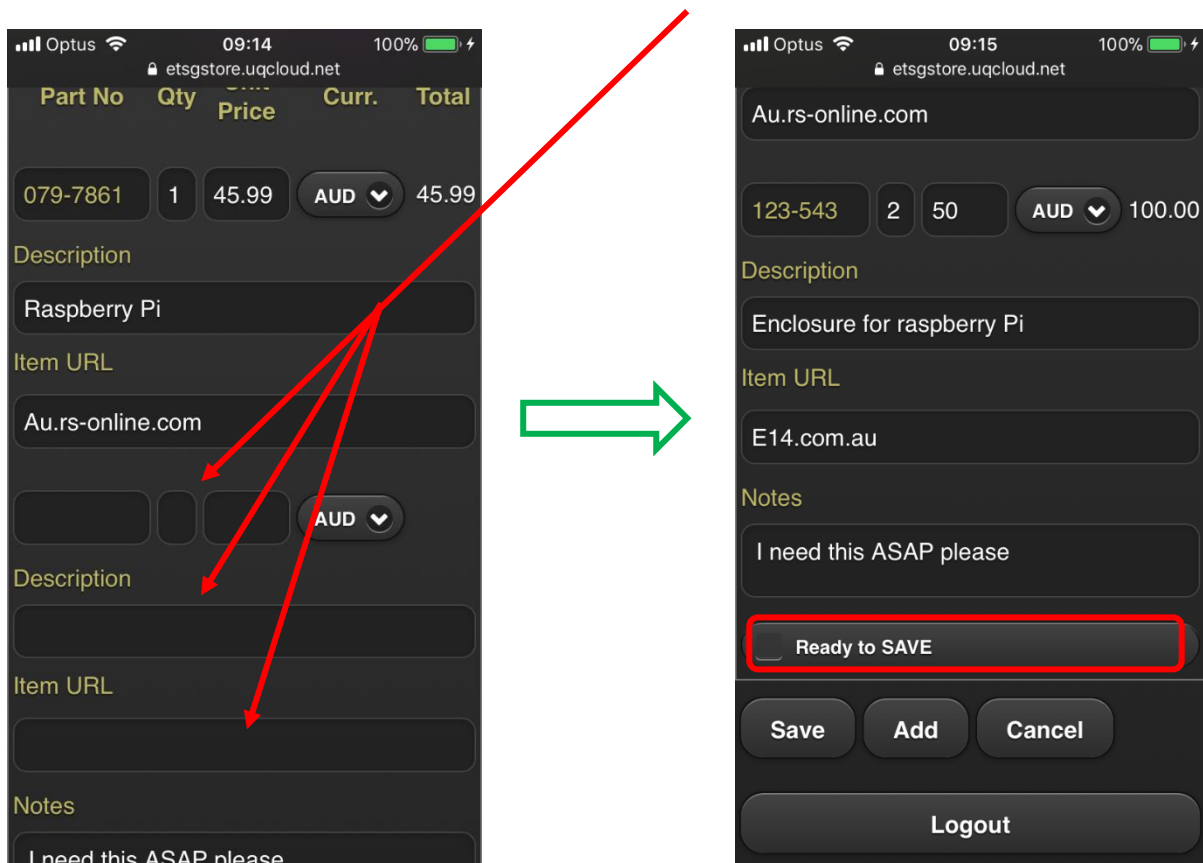

## HOW TO USE THE ETSG STORES SYSTEM.

If you want to add another part to a special order that has been saved select “Edit”, this will open this screen.

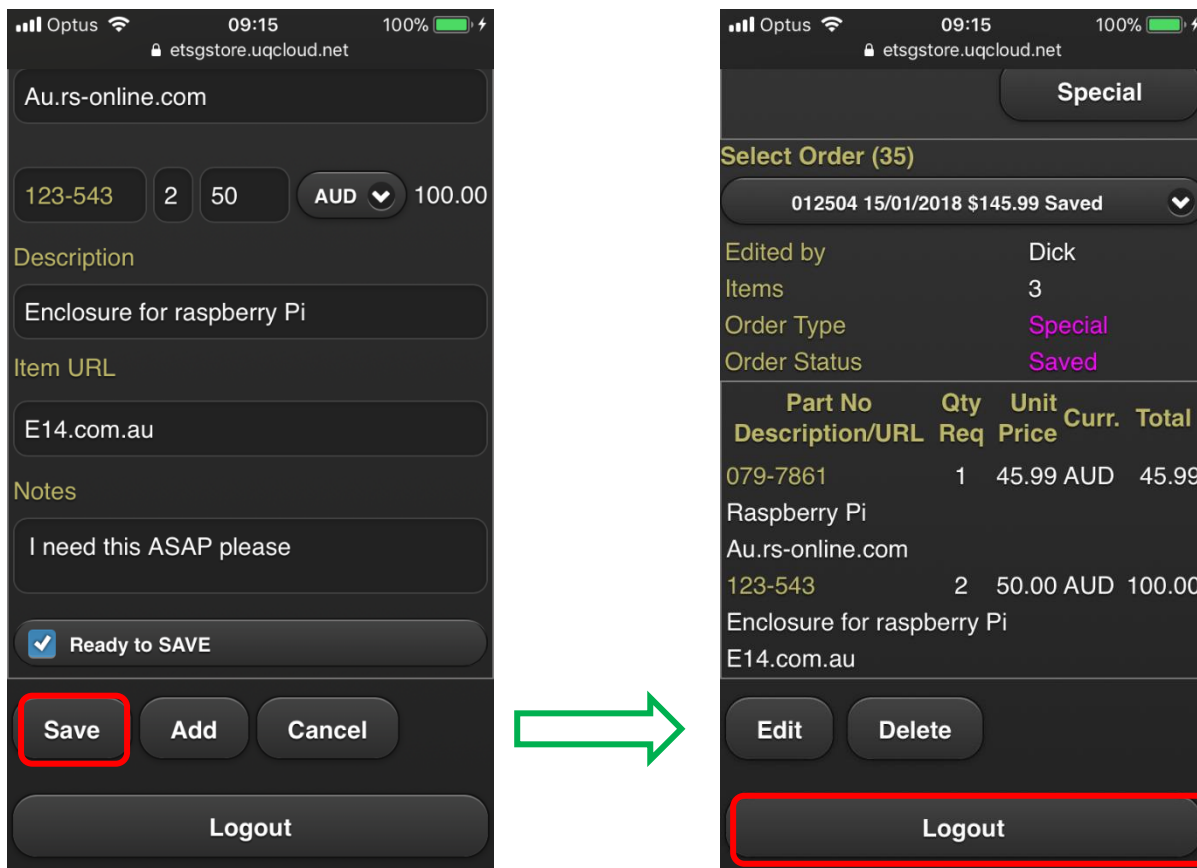

Select “Add”– fill out the form as before.

## HOW TO USE THE ETSG STORES SYSTEM.

Select “Redy to Save” and then “Save”. You can now see the updated Special order.

Note: Everytime you save a special order the system generates and sends an email to ETSG with your order details – **PLEASE** make sure you have added all the required parts and Qty’s before you save the order or we will get a string of emails ☹.

If you have finished “shopping” you can now logout.....until next time ☺
