

#### Important Information

It is your responsibility to ensure that you complete all the requirements for each component of this dual program in order to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal.

#### **Program Requirements**

The Program Rules outline the requirements to complete the dual program and should be read in conjunction with the course list for each component of the dual program. The program rules are available on <u>UQ's Programs and Courses</u> website for the program.

#### **Program Guidelines**

Bachelor of Information Technology (BInfTech) component:

Students must complete a major

Bachelor of Design (BDes) component:

Students must complete a major

#### Selecting Plans in mySI-net

A plan is a prescribed combination of courses within a program being either a field of study, major, extended major, specialisation, minor or extended minor.

Ensure the plans for your program are correctly listed in <u>mySI-net</u>. If you require assistance selecting your plan(s), follow these instructions.

#### Course Scheduling

This planner is intended as a guide only and is based on current scheduling of courses. Students should note that scheduling can change from year to year. You are advised to check the scheduling for the current year and contact the relevant Faculty for advice if course scheduling has changed.

#### **Exiting Early**

Students exiting early with one component of a dual degree must complete the single degree requirements of that component. Students will then be required to follow the single degree rules to complete the remaining component from that dual degree.

#### Global Experience

If you are planning on completing an overseas exchange, you may have to amend this plan. Students who would like an exchange experience in their program are encouraged to seek advice early in their program and be aware of the exchange deadlines: <a href="https://employability.uq.edu.au/global-experiences.">https://employability.uq.edu.au/global-experiences.</a>

### **Require Further Assistance?**

If you require assistance planning your program or have concerns about meeting program requirements, contact the relevant Faculty for advice:

Program	Faculty	Contact Information
Bachelor of Information Technology	EAIT Faculty	enquiries@eait.uq.edu.au
Bachelor of Design	EAIT Faculty	enquiries@eait.uq.edu.au

### **Study Planners**

- 1. <u>Semester 1 Commencement | Full Time Study Planner BinfTech Software Design Major & BDes Environments</u> & Society Major
- 2. <u>Semester 2 Commencement | Full Time Study Planner BinfTech Software Design Major & BDes Environments & Society Major</u>

## **Semester 1 Commencement | Full Time Study Planner**

	BACHELOR OF INFORMATION TECHNOLOGY (Software Design)			BACHELOR OF DESIGN (Environments & Society)			
		Course Code	Course Name	Units	Course Code	Course Name	Units
	Semester 1	DECO1100	Design Thinking	2	DSGN1100	Design: Interaction	2
ar 1		DECO1400	Introduction to Web Design	2	DSGN1500	Design for a Better World	2
Year	ster 2	INFS1200	Introduction to Information Systems	2	DSGN1200	Design: Experience	2
	Semester	MATH1061	Discrete Mathematics	2	SOCY2020	Sociology of the Environment	2
