Mark Sheet for Annotated Bibliography – Postgraduate Thesis

Criterion	Pass	Fail
Selection of References	At least 10 references are presented from reliable sources which have demonstrated relevance to the proposed project.	Some references are unreliable or irrelevant to the proposed project, or there are too few of them.
Variety of Publication Types	The bibliography includes at least three different publication types, such as books, journal papers, conference papers, reports, dissertations, websites, patents & standards.	The bibliography includes less than three different publication types.
Annotation	All annotations are concise and written in good English. Annotations are original work.	Some annotations are verbose, unoriginal, insufficiently summative or are written in poor English.
Bibliographic Style	The bibliography conforms to a consistent reference style throughout, as specified by your supervisor.	Some bibliographic entries are incorrectly formatted.

*All criteria must be assessed as passed in order to pass this piece of assessment.
